## Typical applications

Healthcare, education, senior living, dormitories, retail, offices, restaurants, general usage areas.

### Slip resistance

|                                |   |            |  |
|--------------------------------|---|------------|--|
| Static coefficient of friction |  | ASTM D2047 | greater than .6 dry, greater than .7 wet |
| Ramp test                      |  | DIN 51130  | R10                                      |
| TRRL pendulum test             |  | BS 7976    | 36+                                      |

### Specifications

|                              |   |   |                            |
|------------------------------|---|---|----------------------------|
| Thickness                    | 2.0mm   .08"  |   |                            |
| Roll dimensions              | 6'7" x 66'   2.0m x 20m   |   |                            |
| Weight                       | 4.60 lbs./yd <sup>2</sup>   2.5 kg/m <sup>2</sup>   |   |                            |
| Wear layer                   | .8mm   .031"  |   |                            |
| Cleaning technology          |    | Altro Easyclean PUR                                     |                            |
| Warranty                     |   | 10 years  |                            |
| Static load limit            |    | ASTM F970   | 2000 psi                   |
| Sound insulation             |    | ISO 140-8   | 5dB                        |
| Fire and smoke performance   |    | CAN/ULC - S102.2<br>ASTM E648<br>ASTM 662               | Tested<br>Class I<br>< 450 |
| VOC emissions                |    | CA 01350<br>FloorScore                                  | Pass<br>Certified          |
| Bio-based content            |    | This product is manufactured with bio-based content.    |                            |
| Recycled content             |    | This product contains 5% post-consumer recycled content |                            |
| Composition                  | Aluminum trioxide and colored quartz aggregate throughout thickness of PVC. Colored PVC and clear PVC used to create a dimensional appearance. Altro Easyclean PUR incorporated for exceptional cleanability.   |   |                            |
| Backing                      | Non-woven polyester/cellulose glass fiber reinforcement scrim   |   |                            |
| Installation and maintenance | Altro flooring must be installed by a professional flooring installer that has attended an Altro training clinic. Installation procedures available at <a href="http://altrofloors.com/downloads">altrofloors.com/downloads</a> , training clinic information at <a href="http://altrofloors.com/training">altrofloors.com/training</a> . Proper care of Altro flooring is critical. Please consult our cleaning procedures available at <a href="http://altrofloors.com/downloads">altrofloors.com/downloads</a> . Failure to install, heat weld, and/or maintain correctly could void the warranty. |   |                            |
| Staining                     | Certain chemicals may cause staining of vinyl flooring. Traffic stains may be caused by asphalt and rubber products, like rubber mats. Please conduct stain test before installation.   |   |                            |
